MILWAUKEE PASTOR
TAKES LOCAL POST

Rev. Frank Scribner, Yale Graduate, Unanimously Chosen by Congregationalists.

At a business meeting held at the close of services Sunday morning at the Congregational church, an unanimous call was extended to Rev. Frank Scribner to become pastor of the church as soon as possible. A. F. Mathison was chosen moderator, and J. M. Whithead as clerk, the latter being the pastoral committee, consisting of F. F. Lewis, Miss Ruth Jeffris, W. F. Dale and L. A. Markham, was read recommending the invitation to Mr. Scribner be extended. This was unanimously accepted after favorable mention of his capabilities was presented by the committee. The pastoral committee and Mrs. J. M. Whithead were appointed to confer with him.

Yale Graduate.
 Mr. Scribner graduated from Williston academy at Yale in 1899 where he took high honors in literature and at the Union Theological college and in 1912 where he accepted a charge. In 1916 he went to Sherman Boulevard church of Milwaukee, where he has been doing splendid work especially among the young people, and the boys of high school age. He is married and has a young son.

Preaches Strong Sermon.
 His sermon of yesterday was long, impassioned and forceful, one expressed in fine language. The story contained in the eighth chapter of Acts, where Philip was told by the angel to go south into Samaria to preach the gospel, was taken as the theme. He emphasized the thoughts that the evangelists of that day didn't ask questions but went on the call of the spirit; that the gospel had no race lines, and was suited to the Ethiopian whom he met; that there was an aggressive eagerness today as in the olden times, and that Philip preached the single gospel of Jesus, which ought to be simple and natural, which ought to be today.

A double quartet choir sang several anthems, and Dr. J. J. Snodgrass sang "Crossing the Bar" as a solo.

O'BRIEN MEETS
ALL QUESTIONERS
ON SOCIALISM

Pulling a ten dollar bill from his pocket, Jack O'Brien, speaker for the Constitutional Defense League, offered it to a man who was questioning him, if he would recite ten words of the constitution of the United States, on Sunday night.

The speech and answers to questions put to the young Irishman took four hours Sunday night at the Corn Exchange. It was the second speech of O'Brien, the first one being Saturday night. He will speak again tonight and invites all the socialists to be present with any question they may want to propound.

O'Brien is an apostle of Americanization and an opponent of socialism. The opening of the question box, a feature of all meetings at which Mr. O'Brien is the speaker, proved the most interesting part of the meeting.

Well informed on current events, history and statistics, the speaker never seemed at loss for an answer, and backed by ready wit, his replies often brought a laugh. He brushed with his crowd rather than at his questioners, however, so that acid feeling prevailed and there were no verbal clashes except on the basis of good feeling, though at times the socialists present grew so excited that several tried to ask questions at once.

"All these questions you are asking me about the Plumb plan, child labor and the like have very little to do with the question of socialism," declared the speaker. "I am not here to defend any wrongs that exist in society today. I am here to point to the progress that we have made under the constitution and to show that further progress can be made in an orderly way. Because we have grievances is no excuse for advocating the destruction of our Constitution and our system of society in the name of socialism."

Light of our past success in righting wrongs.

"While Eugene V. Debs, the Socialist presidential nominee, declares the Russian soviet government to be a democracy on the face of the earth, government has actually been removed far from the people."

roters have a voice in the selection of only the local soviet, which may be compared to the city council of our government.

"If our city councils elected the representatives to the state legislature, if they in turn elected the members of congress and congress elected the president, who should be a dictator with power of life and death and rule by force of arms, we would have exactly the situation that exists in Russia today."

U. W. PROFESSOR TO
LECTURE ON VOTING

2nd Century Club Fosters Public Meeting for Women, Friday.

A especially timely lecture, in view of the responsibility of the woman voter at the next election, will be given by Prof. Ford McGreggor, of the University of Wisconsin, at 8 o'clock Friday evening at the library here.

His subject will be "Voting Methods and Elections." He comes under the auspices of the Twentieth Century club, members of which are taking the university extension course on citizenship. The lecture will be entirely free and all women who are interested are cordially invited.

The officers of the club are Mrs. Frank Van Kirk, president; Mrs. P. B. Farnsworth, vice president; Mrs. Howard Green, secretary; and Mrs. Pierpont Wood, treasurer.

Thousand See "Breck's" Crew Slug Fond.-H. S. Loses

By George McManus.

SAMMIES TAKE THINGS EASY IN FORTY-FIRST WIN

Hitting the ball to all corners of the lot and holding in brilliant style, the Janesville Tractors mopped the earth with the Rucpings nine of Fond du Lac at the fair grounds here Sunday afternoon and night. The forty-first victory for the Tractors in the season brought to a close the Samson's first big season of baseball, a sensational and highly successful one throughout.

Although a hopelessly one-sided game, it was entertaining and the crowd of 1,000 bugged the park in good humor. A double of home runs, two double plays, a vandyke sketch by Jack Wootton, and Breckenridge's exhibition in the role of a clown made the day a happy one for everyone. "Maunder" Breckenridge handled the club in faultless fashion, sending the utility men in order to take the regulars for the 1921 season.

Fourteen Men in Game

A total of 14 men participated in the posturing for the home club. A general crowd time was had by all. Frank Gregory pitched for six innings and was relieved in turn by Jack Wootton, who pitched the next four. The Tractors were in the next inning in favor of "Slim" Walsh. The crowd demanded that Walsh take the next game. In his short time on the mound he struck out three of the four men who faced him.

Lathrop Gets Pitches

Bill Lathrop's pitching was performed at first base in the absence of Bente and played errorless ball. In the fourth to left field crashed a clearing ahead of him. The Tractors were merciless in their treatment of the home club. A part by the name of Lou who pitched for the visitors. They collected a total of 15 sacrifices, 12 of them in the last five innings. On the other hand, Gregory held the Rucpings to six hits in his time on the mound while the two other men who followed him at every move. They didn't allow a single blow in the last three innings. Nine Foudy players went out via the strike-out line.

"Breck" Makes Record

The regular team played for the first four innings, checking in nine markers. Then a complete new outfield went into finish line. Gregory, in center, and Andrews in right, this upon orders of "Maunder" Breckenridge, who quit the bench to manage the team. The fifth inning he had made a perfect record—two hits and two runs out of his two times at bat. The third time he struck out a walk.

Next to Lathrop, Shook was the heaviest striker, getting a three-run hit and a single, while Capron, contending with a two-bagger, Schwind and Holland each got two hits, and Capron, Lathrop and Schwind, Gregory and Dunbar took one apiece.

Another Circuit Drive

Gregory slackened his speed in the sixth and the Rucpings took advantage of it. Reihman, the first man up, beat out a slow punt for a base hit. Stern went out when Shook's high foul, Cleveland looked over a couple and drove it deep into left field for a perfect home run, scoring Bohman and accounting for the lone pair of runs for the visitors.

The Tractors worked the hit and run play in dazzling style in the very first inning when Breckenridge on first inning when a walk and a pilfered base, reached home safely on Schwind's infield roller that went for a base hit.

Holland and Shook executed a play which the club has been trying to work all season. Shook led off first far enough to draw a throw and then jumped back and forth in the hot box while Holland sped home from third. Paris finally dropped the ball and Shook got back to first safely.

BRINGING UP FATHER

Blues Show Better, But Lose Game To Monroe Football Squad, 20-0

Janesville high school again went down to defeat when the Blues lost to Monroe at the Cheese City Saturday, 20 to 0. But the people of Monroe will know that the J. H. S. fellows are not quitters, for the Bower team made some fighting every inch. Never before did a high school team scrap like J. H. S. did Saturday. Credit is due every fellow who played.

Playing without the services of Wouletan, who is out of the game, J. H. S. started handicapped. Further, the team was backed by a "magnificent" number of three runs. Where a pupil can come to school in an automobile, why can't he or she be red-blooded enough to take a short journey to back their own gridiron squad?

Fail to Allow Points

When Dawson kicked the ball over in the third quarter, a technical decision deprived the Blues of their three points. The Janesville manager and coach argued over the question after the game, but Manager Sievert of Monroe would not permit a change in the score insisting that he did not want Janesville to do its first scoring on Monroe. Both teams meet here on Thanksgiving day when the Blues will be out for blood. Janesville meets Jefferson Saturday here.

First Quarter

Gridley kicked off to Monroe. They returned it 20 yards. Stoldt made 6 yards around end. Second down, Davis fumble, Janesville's ball on 53 yard line. By series of end runs, formations and line plunging, Janesville made their way down the field. Monroe was failing. Janesville was on their way. Gridley, Lane, Newman and Knapp carried the ball to the 15 yard line. Monroe braced, Janesville held the team. Monroe made 3 yards on three plays by Stoldt, Galle and Davis. On the fourth down came the turning point of the game. Monroe's end runs. Capt. Roll made a 50 yard run around right end before he was stopped. Monroe tried a pass, but Dawson intercepted it, but was downed in his tracks. Janesville held for downs. Monroe's ball on J. H. S. 15 yard line. Davis made 8 yards, Roll made 4 yards then Stoldt made Monroe's touchdown on a standard formation. Roll missed goal. Score, Monroe 6, J. H. S. 0.

Second Half

Janesville received. J. at once pulled the onside play on which it, protested, but Coach Royer and boys downed in it. An argument started, but J. coaches could not be stopped. Janesville got the gain, but it was Monroe's ball. Monroe held for downs. Janesville ball, two passes and two end runs also failed. Monroe's ball. Two passes gain 50 yards. Roll's end run and Davis' line plunging put them on Janesville's three yard line. Davis fumbled. Janesville picked out of danger. Monroe advanced by Erickson catching two 30 yard passes. Monroe on Janesville's 1 yard line. Davis fumbled. Gridley recovering ball on 1 yard line. Bad judgement cost Janesville a few points. Janesville called punt. Gridley, who had been back to kick. A bad pass from the center made Gridley go forward. He had no time to kick, but instead of holding the ball and being a pass which failed and a Monroe back dropped on it for a touchdown. Roll kicked goal. Score 20-0. Janesville received. A clever catch by Dawson brought the ball back 15 yards.

Fourth Quarter

Janesville punted. Monroe returned ball 30 yards. Monroe's plunging failed. Monroe's ball. Dawson. Black caught a 30 yard pass with an open field ahead. He was dropped by a Monroe quarrier. On 21 yard line on third down, Dawson kicked one over, but as he was kicking a Monroe fellow was offside. Then a technical error on the part of the referee. Janesville was cheated out of three points. The referee gave Janesville the penalty, but misunderstood Gridley, when he asked on the play. He allowed play to go on, which made the kick void. Dawson tried again, but the kick was blocked. Monroe ball. They immediately punted out of danger. Pass to Dawson 15 yards. Inc. pass to Black. On third down while blow ending game. Score Monroe 20, Janesville 0.
